Caregivers bazaar raises \$2,000 for Green House

The Family Caregiver Support Group organized and sponsored a bazaar at the Sheridan Senior Center on Monday that raised more than \$2,000 for the Green House Living for Sheridan project.

Sales from a silent auction, “barely-rarely enjoyed clothing,” valentine gifts and a bake sale brought in the funds.

“The bazaar ended up being a community event with many people donating and buying items,” said Stella Montano, family caregiver director.

Cheryl Guth, left, and Jackie Spainhower participate in the Family Caregiver Support Group bazaar Monday at the Sheridan Senior Center. Both are support group members.
