Gary Sellenrick, president of Thrivent Financial for Lutherans, presented this \$1,000 donation to the Sheridan Senior Center's Home Delivered Meals Program in December. Community Nutrition Director Carolyn Benepe (left) and Home Delivered Meals Coordinator Shirley Knisley accepted the donation on behalf of the center. The local Thrivent chapter made a per-hour donation for each volunteer hour recorded from Thrivent members and other community volunteers who deliver meals to the center's clients in Sheridan and the county. A total of 160 volunteers logged 671 hours during a six-week period. The donation will be used for the Senior Center's Home Delivered Meals Program.
