

# Sheridan Senior Center

*"Quality of Life...Later in Life"*

November 2007

Dear Friends,

Warm greetings to you during this holiday season! As the end of the year approaches people often consider making a gift to a charitable organization that provides a service that to them is important and valuable. The Sheridan Senior Center's "Holiday Spirit" Fund Drive provides you an opportunity to make such a gift.

Our annual Holiday Spirit Campaign has supported individuals and families throughout Sheridan County, allowing us to serve the *Greatest Generation*. We do this by providing many services necessary for a healthy community:

- Home Delivered Meals
- In-Home Services
- Public Transportation
- Day Break – Elder Day Services
- Family Caregiver Services
- Congregate Meals and Nutrition Services
- Activities: Leisure, Recreation, Life Long Learning
- Volunteer Services

These programs help individuals, couples, sons and daughters, families, friends and our communities, people of all ages. We serve well over 500 people a day in the various programs we provide. The quality of our Senior Center reflects the quality of our community – it is a great place to live.

Whether this is the first Holiday Spirit letter you have received or one of many, please help us keep the Sheridan Senior Center one of the best around. Invest in the health, well-being and quality of life of our community by making a donation to Holiday Spirit. Your tax-deductible donation will support the services that keep elders living at home where they want to be.

On behalf of the employees and the Senior Center's Board of Directors, I wish you a happy and joyous holiday season!

Yours truly,

Carmen Rideout  
Executive Director
